Dental Plans

AASP-PA and United Concordia have teamed up to offer quality, affordable dental insurance to members of the AASP-PA.

Oral health problems can tax the immune system and lead to greater risk of illness and infection down the road. Going to the dentist twice a year will help you and your family stay healthy and avoid more costly procedures in the future. The AASP-PA dental program provides quality dental coverage at competitive group rates with the personalized service you would expect from the AASP-PA.

You have the option of enrolling in one of two different dental plans: **Standard** or **Enhanced**. Both plans give you access to more than 126,000 practicing locations through our Advantage *Plus* network.
