SettleSmart PROGRAM HIGHLIGHTS

SettleSmart added to Certegy's Enhanced Warranty Services consolidates returned checks into a Certegy funded bank account resulting in reduced check handling fees, improved cash flow and the elimination of claims processing. Because all returned items are forwarded to a centralized bank managed by Certegy, no additional reconciliation is required after checks are deposited.

- Exclusive associate discount rate of .95%
- Bank direct settlement
- Reduced check handling

Elec Check PROGRAM HIGHLIGHTS

Certegy's electronic check conversion service streamlines the check approval and settlement process by removing the middleman and opportunities for error. Elec Check authorizes the transaction, transfers funds electronically from the point-of-sale to an Automated Clearing House (ACH) and forwards it to the bank for processing and settlement.

- Exclusive associate discount rate of 1.00% (subject to credit approval)
- \$.25 transaction fee for ACH processing
- No returned check fee
- No reconciliation required
- Settlement generally in 24 to 48 hours
- \$5,000 purchase limit
- Imageless - no special equipment required

** Note: This program applies to members not currently using Certegy Check Services. Existing customers may have their account reviewed for program eligibility.*
