## Uniforms • Services • Solutions

UniFirst, a leading supplier of workwear for companies big and small since 1936, provides business apparel ranging from traditional uniforms and industrial wear to specialized protective clothing and “corporate casual” attire. Our programs include Rental, Lease and Purchase options and are designed to enhance your overall business image at the very best value. We also offer various floorcare products and restroom supplies for convenient, one-stop shopping. Serving more than 225,000 customer locations throughout the United States and Canada, more than one million people wear UniFirst uniforms every business day. Whether National, Regional or Local, UniFirst customers receive nothing but the highest quality garments and services, complete with full Program Management. That’s UniFirst.

### Benefits of UniFirst

- Take advantage of National Account Pricing on Uniforms, Facility and Restroom services.
- Customer Service Representative to field any questions or service requests and ensure response within 24 hours.
- Easy to understand invoices...no surprise charges.
- Easy start-up. Initiating service is as easy as signing the Participation Agreement and selecting your own package of products/services based on your location’s specific needs.
- Our guarantee...if we don’t perform up to your expectations, you can choose to end the service with no penalty.
